The Crucible of Hope

What exactly is an "assignment," and why do it matter? How can educators ensure that their teaching meets the rigorous demands of the Common Core State Standards, so that all students are well prepared for college or careers? Drawing from her extensive experience as a teacher coach, author Eleanor Dougherty answers these questions and many more, with two aims in mind: (1) to guide teachers and administrators in crafting high-quality assignments; and (2) to help educators understand the powerful impact that assignments can have on teaching and learning. The book explains the critical differences among "assignments," "activities," and "assessments" and thoroughly describes the key elements of an assignment: prompts, rubrics, products, and instructional plans. Readers will learn how to: "Follow a seven-step process for crafting effective assignments. * Link assignments to units and courses. * Devise "Anchor" assignments for collaboration and consistency across grades. * Taps into instructional "touchstones" that can enrich any assignment. * Create classroom and school environments that support assessment-making; and * Use assignments as a source of data about teaching and learning. Equipped with the knowledge and expertise gained from Assignments Matter, readers will be able to create meaningful learning experiences for their students and come to appreciate the author's belief that "assignments may well be the missing link in school reforms efforts to improve student achievement."

The Crucible

The definitive memoir of Arthur Miller—the famous playwright of The Crucible, All My Sons, Death of a Salesman, A View From the Bridge, and many other plays—Timebends reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political connections during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for Death of a Salesman and the New York Drama Critics Circle Award in 1947 for All My Sons. Miller also wrote the screenplay for The Misfits, Marilyn Monroe's final film. This memoir also reveals the incredible host of notables that populated his life, including Marlyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaning heavily on a formidable reputation in the worlds of theatre, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

The Crucible

As portrayed in Homer's Odyssey, Penelope - wife of Odysseus and cousin of the beautiful Helen of Troy - has become a symbol of wifely duty and devotion, enduring twenty years of waiting when her husband goes to fight in the Trojan War. As she fends off the attentions of a hundred greedy suitors, travelling minstrels regale her with news of Odysseus' epic adventures around the Mediterranean - slaying monsters and grappling with amorous goddesses. When Odysseus finally comes home, he kills his suitors and then, in an act that served as little more than a footnote in Homer's original story, inexplicably hang Penelope's twelve maids, Now, Penelope and her chorus of wronged maids tell their side of the story in a new stage version by Margaret Atwood, adapted from her own novel, witty and wise novel. The Penelope premiered with the Royal Shakespeare Company in association with Canada's National Arts Centre at the Swan Theatre, Stratford-upon-Avon, in July 2007.
